Dudley Has A Farmers' Market!

Dudley now has farmers' market every Sunday from 9:00 a.m. to 1:00 p.m. in the upper parking lot of the Dudley Municipal Complex at 71 West Main Street. More people are demanding locally produced foods because of the minimal amount of fuel required to transport them—and Dudley's farmers' market is the place to buy local. This movement is national and is known as "Field-to-Table."

By supporting the local farmers you are keeping your money in our community, supporting the local economy, and helping to preserve the rural character of Dudley.

Besides produce, there were also houseplants, garden plants and flowers, local cut flowers, baked goods, and even cold lemonade to sip as you walk around. Do stop by—if you don't see what you want, just ask!
